## To Authenticate to Adobe

1. You may be required to sign in to your Adobe account to install or run the Creative Cloud applications . To authenticate to Adobe, simply enter your HSU email address on the Adobe Sign In screen and click on “Sign In”:

The image shows a screenshot of the Adobe ID sign-in screen within the Creative Cloud Installer window. The window title is "Creative Cloud Installer". The sign-in screen has the Adobe ID logo at the top right. The main heading is "Sign in to continue". Below this, there is a sub-heading "Install Creative Cloud" with a Creative Cloud icon. There are two input fields: the first contains the email address "abc123@humboldt.edu" and has a clear button (X); the second is labeled "Password". Below the input fields is a blue "Sign In" button and a link for "Forgot password?". At the bottom, there are options for new users: "Not a member yet? Get an Adobe ID" and "Want to use your company or school account? Sign in with an Enterprise ID". There is also a section for social sign-in: "Or sign in with" followed by buttons for "Facebook" and "Google".

2. You'll then be sent to the standard HSU login screen. Enter your HSU username and password:

Enterprise ID Sign in

**Secure your information!**  
myHumboldt provides access to many of your applications—not just the one you're using.

**Don't leave your workstation unattended;**  
whenever possible use a password-protected screen saver.

3. You should then be ready to install or use Adobe Creative Cloud.
