Installing SPSS on your Personal Computer

Macintosh Installation Instructions Windows Installation Instructions

Should you encounter problems installing SPSS, please contact the HSU Help Desk (826-4357) or your instructor.

Macintosh Installation Instructions:

- 1. If you are installing SPSS on a **Macintosh** computer, <u>you can download the software here</u> (you will be asked to login with your HSU user name and password).
- 2. Double click on SPSS_Statistics_Installer in your computer's **Downloads** folder in **Finder**.

3. You may be prompted to enter a User Name and Password to install SPSS on your device.

Ω	IBM SPSS Statistics 26 is trying to install a new helper tool.
	Enter an administrator's name and password to allow this.
	User Name:
	Password:
	Cancel Install Helper

4. Proceed through the installer selecting "OK" on the first screen

5. Select "Next"
